

LAKE COUNTY HAVEN

Annual Report 2023

Lake County Haven proudly presents our 2023 annual report. This was a year of many accomplishments at the Haven. With the help of our professional staff, women and children found a way out of homelessness and into safe, stable, independent living. These women left a life of homelessness, hunger, and despair. They replaced it with a life of safety, calm, and a bright future ahead. Women got jobs, saved money, and managed their health issues. They reestablished relationships with their children and families. They received counseling for their trauma. They returned to school and advanced in their careers. We are so proud of all their accomplishments.

As an agency, Lake County Haven also accomplished much this year. We are happy to announce that after much planning, we have established an endowment. This endowment exists to provide long-term stability to LCH so that we can provide stability to homeless women and children in the future. This interrupts the cycles of violence and poverty, and it creates a better community for all of us. This endowment fund is an investment account with donations serving as the principle. Gifts from donors will be considered restricted, and that principle will not be withdrawn. The interest gained from the principle will be used to fund our shelter and life-saving services for years and decades to come. It will provide a reliable source of funding for our programs and much-needed stability in an unstable world.

Giving to this fund is a way to contribute to something special, something bigger than any one of us. In giving to this fund, your donation creates sustainable funding that protects homeless women and children not just today... but forever. If you would consider a gift of cash or stock to this fund, or if you would like to discuss leaving a legacy gift to LCH, please contact us at 847-680-1901.

Another significant accomplishment for LCH in 2023 was the development of our Scholarship & Job Training Program. This new program lays out a career path for the homeless women in our shelters. LCH pays for the classes and books necessary for residents to become certified counselors.

“THERE ARE NO WORDS TO DESCRIBE MY GRATITUDE OR THE ENORMOUS POSITIVE IMPACT THE HAVEN HAS PROVIDED IN MY LIFE.”

After one year of classes, an internship, a test, and some on-the-job experience, our residents earn an accreditation which qualifies them to counsel others at a variety of organizations. We also provide on-the-job experience so our residents can begin learning about social services and how to excel in that field.

This new career path is of great interest to a large number of LCH residents. They have experienced so much trauma, and they say repeatedly that the Haven saved them. The first thing they want to do as they get back on their feet again is to help others in the same way. As one of our resident-students put it: *"I have a purpose now, and it's to help other women who struggle...I want to be that glimmer of hope for someone."*

The Haven is a glimmer of hope for so many. Each volunteer, donor, and staff member contributes to providing that glimmer of hope. Thank you for all the support you have already provided. We hope you will continue to partner with us in the future. Together, we can give hope, help, and a new beginning to women and children who desperately need it.
